

The Leader in Digital Ticketing
for K-12 Schools & Colleges

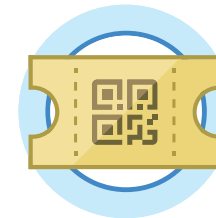

Welcome to **H**OMETOWN

HomeTown is selected by schools, preferred by districts and trusted by states to help deliver the best game-day experience nationwide.

The Nation's #1 Digital Ticketing Provider

HomeTown helps thousands of schools across the country seamlessly provide digital ticketing options for their communities, families and fans.

Sell Tickets

Provide fans with cashless, paperless ticketing options for all school events.

Scan Fans

Quickly scan digital tickets from any iOS or Android mobile device.

Get Revenue

Receive immediate access to ticket revenue, without us touching your funds.

Sell *your* Tickets

Fans receive mobile-friendly, digital tickets via e-mail they can print or display on their phones to get into the game.

Sell School Event Tickets Online

Sell digital tickets for all school events directly on your school's website 24/7, without staffing ticket windows, counting cash or making bank deposits.

Box Office

Let fans buy tickets on your school's website without cash or waiting in line.

Seat Maps

Display digital seat maps designed to the size and scale of your venue.

Season Passes

Sell season passes online with automatic renewal options each year.

Scan *your* Fans

Download the free HomeTown Gate app to your tablet or mobile device.

Fast Scans. Happy Fans.

Provide a comfortable game-day experience for fans by streamlining gate entry, managing venue capacity and monitoring event attendance.

Easy

Download the free HomeTown Gate app to any tablet or mobile device.

Simple

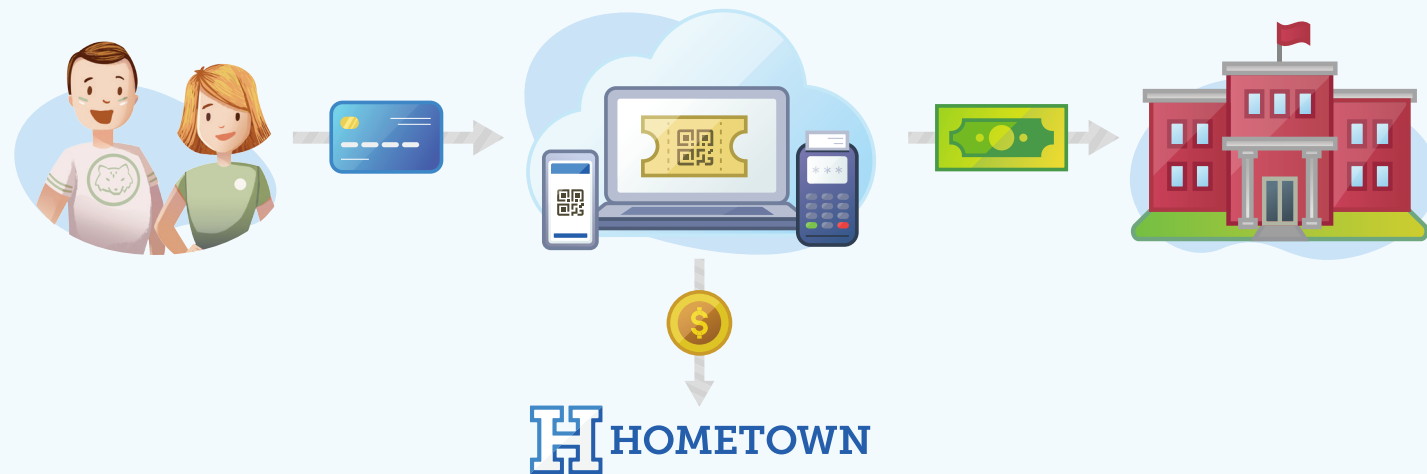

Quickly train your staff and volunteers to scan digital or printed tickets.

Fast

Instantly see if each digital or printed ticket is valid or search by guest name.

Get *your* Revenue

Ticket sales revenue is deposited into your school's bank account as soon as the day after tickets are purchased.

Take Control of your Revenue Stream

HomeTown ensures your school receives its revenue faster than any other digital ticketing provider and never touches your ticket revenue.

Secure

Process PCI-compliant payments through your own online box office.

Reliable

Schedule daily, weekly or monthly deposits to your school bank account.

Real-Time

See real-time ticket sales, event attendance and revenue reports.

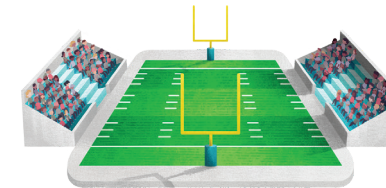

All *your* Events

HomeTown helps schools sell online tickets to fund student athletics, theater, music, arts and activity programs nationwide.

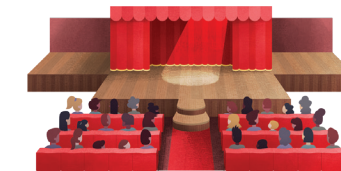

Sell Tickets Online for All School Events

HomeTown supports the digital ticketing needs of every school department — even across the entire school district — from one central online location.

Athletics

Sell online tickets for Fall, Winter and Spring sports all-season long.

Theater

Sell online tickets to school plays, musicals and performing arts programs.

Dance

Sell online tickets for prom, homecoming and other school events.

Have *our* Support

Every school is assigned a dedicated account manager to provide schools with hands-on support every step of the way.

HomeTown is Always Here to Help

HomeTown provides year-round customer support before, during and after events to help schools deliver the best game-day experience for their fans.

Staff Support

Our account managers help schedule events and answer questions.

Fan Support

Our customer support team helps your fans by phone, chat and e-mail.

Tech Support

Our on-call support team helps with tech questions and system monitoring.

Schools HomeTown

"Easy to use for people of all different technology levels."

Matt Freeman
