

The Leader in Digital Ticketing *for K-12 Schools & Colleges*

The Nation's #1 Digital Ticketing Provider

HomeTown helps thousands of schools, colleges and governing bodies sell online tickets to help fund student athletics, theater, music and arts programs in local communities all across America.

Sell Tickets

Provide fans with cashless, contactless ticketing options for all school events.

Scan Fans

Quickly scan digital tickets from any iOS or Android mobile device.

Earn Revenue

Receive immediate access to ticket revenue, without us touching your funds.

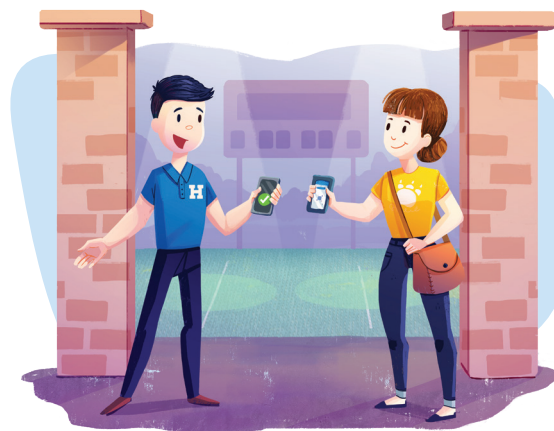

Sell School Event Tickets Online

Sell online tickets to all school events in advance, without interrupting your day, collecting cash from fans or having long walk-up lines on game day. Fans purchase tickets directly on your school's website and receive mobile-friendly, digital tickets to get into the game.

Fast Scans. Happy Fans.

Provide a comfortable game-day experience for your staff and fans by providing contactless gate entry. Easily train your staff to scan digital or printed tickets and get fans into the game quickly, while managing venue capacity and monitoring event attendance.

Take Control of Your Revenue

Stop counting cash or waiting for weekly checks after each event. All online ticket sales are deposited directly into your school's bank account, without us ever touching your funds. See real-time ticket sales, event attendance and revenue reports in your online box office.

Hands-on Customer Service

Dedicated account managers are available to support your staff — even on game nights and weekends — to provide the best experience for you and your fans. Talk to our team about custom seat maps, mobile POS systems, contactless credit card readers and more.
