Tickets for (School Nickname) events can be purchased through the (School Name) website or by downloading the HomeTown Fan App. The HomeTown Fan App will allow guests to manage their entire ticketing experience on most iOS or Android mobile devices. Fans can:

- Search for local events by school name and school zip code.
- Choose their favorite schools and organizations to keep updated on the latest events.
- Purchase and access tickets from their smartphone or mobile device, making it easy to review purchases and scan at the gate.
- Enter the events. All tickets and passes can be scanned directly from the app to enter events, providing for true touchless redemption.

“We are so excited to help **(School Name)** streamline event management and make it easier for **(School Nickname)** fans to cheer on their favorite students on the field or on stage,” said Ryan Hart, HomeTown Ticketing Chairman.

Nationally, HomeTown provides paperless ticketing platforms to thousands of schools that have shifted from traditional paper ticketing to a modern solution to manage all aspects of their event management. Using HomeTown Ticketing for event management also has several benefits to the district including:

- Paperless transactions that are easy track and reduce accounting errors.
- Ability to control maximum capacity for each venue or event to manage attendance.
- Eliminates the need for in-person advanced ticket purchases at school.
- Maximizes efficiencies of athletic and administrative staff that oversee the ticketing process.
- Removes the need for handling cash by offering cashless payment options for fans.
- Speeds up event admissions.
