

8.27.24 Release Notes

VBO 2.61.0

- Post purchase offers are now enabled for all existing and new clients excluding association clients.
- Fix for the number pad not working when creating events with the event wizard. (Unified UI)

Fan Web 7.7.0 (Flex Purchases)

- Post purchase offers are now enabled for all Flex clients.

Pro Tip: Post-purchase offers can help encourage your fans to keep purchasing online!
